Subject: Re: Draft FY 2004 Proposed Fee Rule

Ann:

NMSS has the following comments on the draft FY 2004 Proposed Fee Rule:

-Page 13, line 12 of the Annual Fee paragraph: Change the line to read as follows:

...and decreased annual fees for three four classes (byproduct materials licensees, spent fuel storage/reactor decommissioning, non-power reactors, and fuel facilities).

*no fee level
changes*

-Page 17, line 5 of the paragraph, ...volume of LLW disposal of by certain classes... ✓

-Page 25, subtitle under TABLE IX, Annual fees for Title... should read, FY 2003 2004 annual fee ✓

-Page 31, No. 1 under In summary,... should read Established rebaselined... ✓

Let me know if you have any questions.

Attached is a draft version of the FY 2004 Proposed Fee Rule. Please review and provide comments to me by January 9, 2004. I will incorporate the comments and send a final version of the rule to the offices for concurrence. The tentative date for the final version to be sent to the offices for concurrence is January 12, 2004.

If you have any questions, please let me know. If I am not available, please contact Tammy Croote on 415-6041.
