Dear Chairman Diaz,

I am writing you to voice my support for the proposed National Enrichment Facility in Lea County, New Mexico. I, as well as many other local residents, am excited about Louisiana Energy Services building near our community.

I was born and raised in Lea County. I have been with the Hobbs School system for 27 years as a teacher and an administrator.

I have listened to representatives from LES and I believe that the facility will be safe. Their technology has been in use for over 30 years in Europe with excellent results.

I offer this letter of support and will be glad to welcome the LES team to our community if their application is approved.

Sincerely,

Pat McMurray
Principal
Hobbs Freshman School

Cc: Governor Bill Richardson
Secretary Ron Curry
