Dear Chairman Diaz,

Lea County has been my home for many years. I care about the people and the land, and that's why I have followed the LES story closely. I have learned quite a bit about the proposed plan and now feel comfortable enough to write and urge your support.

The National Enrichment Facility (NEF) will:

- Create new jobs
- Diversify the economy
- Use a technology that is proven and been in use for 30 years.

I feel confident that the National Enrichment Facility can bring benefits to Eunice and to our nation while safeguarding my friends, family, and our environment.

This is a wonderful opportunity for Eunice and all of Lea County. LES has already demonstrated that they are a good corporate citizen and I urge you to approve the application as quickly as possible.

Sincerely,

JoAnn Davis
