Subject: LM STRATEGIC PLAN

I am responding to Mr. Owen's letter of February 27, 2004, to John Lusher of my staff. The letter forwarded a copy of the draft Office of Legacy Management's Strategic Plan covering FY 04 - 08, for comment. Because of apparent mail delays, we did not receive the Plan until March 16. We've conducted a brief review of the Plan and have no comments.

By way of a brief introduction, my Section is responsible for all UMTRCA Title I and II activities at the NRC. My contact info follows.
