

April 7, 2004

The Honorable Adam H. Putnam, Chairman
Subcommittee on Technology, Information Policy,
Intergovernmental Relations and the Census
Committee on Government Reform
United States House of Representatives
Washington, DC 20515-6143

Dear Mr. Chairman:

I am enclosing responses to the questions included in your March 17, 2004, letter to Mr. Ellis W. Merschoff, Chief Information Officer of the Nuclear Regulatory Commission (NRC). The NRC is firmly committed to protecting the information and other cyber assets that have been entrusted to us. We thank you for the opportunity to testify at the March 16, 2004, hearing on "Information Security in the Federal Government: One Year into the Federal Information Security Management Act." We support the goals of the Federal Information Security Management Act and of your Subcommittee in gaining greater insight into how the Federal government can improve its information technology security posture.

If you or your staff require any additional information, please contact Mr. Ellis W. Merschoff at 301-415-8700.

Sincerely,

/RA/

William D. Travers
Executive Director
for Operations

Enclosure: As stated
