Subject: Telephone call with Sandia on Vulnerability - 3:00 PM today

nm55

Sandia wants to discuss the path forward on the aircraft vulnerability assessment today at around 3:30 PM. Assuming Wayne does not have any objections, we will use his office to call Sandia. I will appreciate if you please come to Wayne's office at 3:00 PM. This will allow us time to discuss amongst ourselves the Sandia proposal, prior to the phone call.

Thanks.

Mahendra
