nmss

Bernie:

I will be in training next Monday and Tuesday. I talked to Mahendra about my concerns this morning. We are not too far apart. I feel comfortable with Mahendra representing my point of view.

Daniel

Well it appears that the two structural guys we want to talk with at Sandia are not in today, so we are going to have the phone call on Monday. Is Monday afternoon at 3pm (right after the awards ceremony) good for everyone?

Bernie
