Pratt and Whitney Aircraft  
Fox Project  
East Hartford 8, Connecticut

Subject: DISPOSAL OF RADIOACTIVE WASTES AT SEA

Dear Dr. Kliss:

According to the records of the Atomic Energy Commission, Pratt and Whitney Aircraft may be disposing of radioactive wastes by burial at sea. At the present time, the Commission is most desirous of certain information concerning these disposal activities. Therefore, please complete in duplicate, and send to us by return mail, the enclosed form. It is most imperative that this information be received by us prior to November 15, 1957. We will appreciate complete information. If the exact answer to any portion of this form is not known, please make an estimate. Also, differentiation between estimates and exact information will be appreciated.

Thank you for your cooperation.

Very truly yours,

for: Cecil R. Buchanan, Assistant Chief  
Byproduct Licensing  
Isotopes Extension  
Division of Civilian Application
