Dear Mr. Kirkman:

In response to your letter of November 13, 1969 requesting our position and our corrective action with respect to an item of non-compliance with AEC regulations for material handled in accordance with License Number 6-550-3, I contacted Mr. W. Patton, Supervisor, Health and Safety Engineering, for Pratt & Whitney Aircraft.

Mr. Patton has notified me that air samples are now being taken and recorded when personnel enter the cell area. Samples will be taken on all future cell entries. Samples taken through November 1 1969 indicate that we are in compliance with 10 CFR 20.

Sincerely,

J. A. Martin  
Manager, Health and Safety
