

1957

Douglas E. George, Deputy Director
Division of Nuclear Materials Management

Iyall Johnson, Chief, Licensing Branch
Division of Civilian Application

ALLOCATION OF SPECIAL NUCLEAR MATERIAL TO CURTISS-WRIGHT CORPORATION,
DOCKET NO. F-39

SYMBOL: CAL:LF

Transmitted herewith is a copy of data submitted by Curtiss-Wright Corporation in connection with its request for a special nuclear material allocation to accompany the construction permit sought by it in Docket No. F-39. It is requested that you provide this Division with the computation for an allocation on the basis of both contained uranium-235 and ETP.

Enclosure:
As stated above

89741 - Curtiss-Wright
D-23
