Reference: Letter dated November 7, 1956, CAL; ERF.

Gentlemen:

Your reference letter enclosed a copy of Atomic Energy Commission Rules of Practice which included a statement concerning availability of official records. (Section 2. 790.)

In compliance with these rules, we wish to authorize you to delete the (Official Use Only) classification on our report CWR 431 titled, "Preliminary Hazards Evaluation, Curtiss-Wright Research Reactor", and indicate that this report is now unclassified.

Very truly yours,
