

Docket No. F-39
CAL:RJP

Dr. John R. Torquato, Secretary
Department of Labor and Industry
South Office Building
Harrisburg, Pennsylvania

Dear Dr. Torquato:

With reference to my letter dated November 13, 1956, this is to inform you that the Atomic Energy Commission has submitted for publication in the Federal Register a notice of proposed issuance of a construction permit to Curtiss-Wright Corporation authorizing construction of a 1000 kv light water moderated, pool-type research reactor at the Corporation's Research and Development Center, Guehanna, Pennsylvania. A copy of the notice is enclosed.

We are also providing the Secretary of Health and Director of Industrial Hygiene, Pennsylvania Department of Health with this information.

You will be notified when further action is taken.

Sincerely yours,

H. L. Price
Director
Division of Civilian Application

Enclosure:
As stated above
