

Docket No. F-39
CAL:RJP

JUN 5 1957

Dr. Berwyn F. Mattison
Secretary of Health
Pennsylvania Department of Health
State Capitol, South Office Building
Harrisburg, Pennsylvania

Dear Dr. Mattison:

With reference to my letter dated November 13, 1956, this is to inform you that the Atomic Energy Commission has submitted for publication in the Federal Register a notice of proposed issuance of a construction permit to Curtiss-Wright Corporation authorizing construction of a 1000 kw light water moderated, pool-type research reactor at the Corporation's Research and Development Center, Quakana, Pennsylvania. A copy of the notice is enclosed.

A copy of this letter and the enclosure is being sent to Dr. Jan Lieben, Director, Division of Industrial Hygiene for his information and, Dr. John R. Torquato, Secretary, Department of Labor and Industry is being advised of this action. You will be notified when further action is taken.

Sincerely yours,

BCC: E.E. Fowler
H. Steele

(Signed) H. L. Price

H. L. Price
Director,
Division of Civilian Application

Enclosure:
As stated above

CC: Dr. Jan Lieben, Director
Division of Industrial Hygiene

Handwritten: RR 7-3
Curtiss Wright
