

APR 2 9 1958

Docket No. 50-39

Dr. John R. Torquato, Secretary
Department of Labor and Industry
South Office Building
Harrisburg, Pennsylvania

Dear Dr. Torquato:

This is to inform you that no request for formal hearing having been filed following publication of a notice of proposed action in the matter, the Commission has issued a facility license (copy attached) for Curtiss-Wright Corporation. The license authorizes Curtiss-Wright to possess and operate its 1000 kilowatt pool-type research reactor at a site near Quehanna, Pennsylvania.

By letter dated April 8, 1958 you were furnished a copy each of the notice submitted to the Federal Register Division and a memorandum setting forth the principal factors considered in reviewing the application.

Sincerely yours,

H. L. Prik Director
Division of Licensing and Regulation
