ISSUANCE PERMIT TO CURTIS WRIGHT
FOR CONSTRUCTION OF POOL-TYPE RESEARCH REACTOR

The Atomic Energy Commission has issued a permit to Curtis Wright Corporation for construction of a pool-type research reactor at Lushanna, Pennsylvania. The permit is dated June 20, 1957.

Notice of proposed issuance of the construction permit was published in the Federal Register on June 1, 1957. Details were contained in the Commission's public announcement No. 1069, issued June 3, 1957.
