June 18, 1958

United States Atomic Energy Commission
Washington 25, D.C.

Reference: Docket No. F-39

Attention: Mr. C. T. Edwards

Gentlemen:

Enclosed are 6 copies of a revision of Appendix "A" to Curtiss-Wright's Construction Permit, Docket No. F-39. This revision changes estimated schedules of transfers of special nuclear material from a calendar year to a Federal Fiscal Year basis, revises the estimated dates and amounts of transfers from Curtiss-Wright to the Commission, and reduces the estimated total returns of contained U-235 from 91.3 kilograms to 91.1 kilograms.

Please advise us if any additional information is necessary to fulfill requirements for approval of this revision. If additional information is not needed, we would appreciate notification that the revision has been approved.
