

Mr. James T. Ramey  
 Executive Director  
 Joint Committee on Atomic Energy  
 Congress of the United States

Dear Mr. Ramey:

This is to advise you that the Atomic Energy Commission has issued to Curtiss-Wright Corporation a construction permit for a 1000-kilowatt pool-type research reactor to be located at Quehanna, Pennsylvania. Notice of the proposed issuance of the construction permit was published in the Federal Register on June 4, 1957, and no petitions to intervene have been filed. A copy of the notice and accompanying memorandum was sent you on May 29, 1957.

Sincerely yours,

DISTRIBUTION
