CURTISS-WRIGHT REQUEST FOR AUTHORIZATION TO FABRICATE AND TEST  
A FUEL ELEMENT, DOCKET NO. 50-39

SYMBOL: LRL:CTE

Attached is a copy of a teletype dated March 11, 1959 by which  
Curtiss-Wright requests authorization to fabricate an instrumented  
fuel element and test it in the Curtiss-Wright Research Reactor.

Please provide us with your opinion concerning the proposed use  
of such an element in the reactor or inform us of any additional  
information you might require.

Two copies of the teletype have been delivered directly to Mr.  
Grossman of your Branch.
