Mr. Tom McKinsey, President
Mosquito Creek Sportsmen's Association
Frenchville, Pennsylvania

Dear Mr. McKinsey:

This refers to my letter to you of December 21, 1950 concerning the discharge of water into Mosquito Creek as it relates to Atomic energy installations.

I understand that an AEC representative has discussed this matter with you.

This is to inform you that the Division of Compliance of the AEC has fully investigated this matter and the results of the investigation indicate that any discharges of radioactive material into Moskow Run, which flows into Mosquito Creek, by the Curtiss Wright Corp., Duquesne, Pennsylvania, the firm involved, is being done in accordance with Atomic Energy Commission regulations and does not present a hazard to public health and safety.

Sincerely,

H. L. Price, Director
Division of Licensing and
Regulation
