OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Entergy Operations, Inc. (EA-03-016)  
Arkansas Nuclear One, Unit 1  
Docket Nos. 50-313

Subject: ISSUANCE OF FINAL SIGNIFICANCE DETERMINATION AND NOTICE OF VIOLATION

This is to inform the Commission that a Notice of Violation associated with a White Significance Determination Process (SDP) finding will be issued on or around April 7, 2004, to Entergy Operations, Inc. as a result of inspections at Arkansas Nuclear One. This White finding, an issue with low to moderate increased importance to safety, involved the use of operator manual actions in the event of a fire to remotely operate equipment necessary to achieve and maintain hot shutdown conditions. The licensee's reliance on operator manual action, in lieu of providing protection for the cables associated with that equipment in accordance with the requirements of 10 CFR Part 50, Appendix R, Section III.G.2 or the alternative method of compliance provided in Section III.G.3 is identified as a violation. Accordingly, a Notice of Violation associated with the White finding is being issued.

It should be noted that the licensee has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Final Significance Determination	April 7, 2004
Telephone Notification of Licensee	April 7, 2004

The State of Arkansas will be notified.
