SUBJECT: CLOSEOUT OF NRC COOPERATIVE AGREEMENT NO. NRC-39-88-172

Dear Ms. Schallenkamp:

The subject cooperative agreement expired on September 30, 1999. In our letter dated January 29, 2004 we stated that if we did not receive a response within ten (10) days, the cooperative agreement would be closed unilaterally. The NRC has requested final documentation two different occasions and has not received a response from Emporia State University.

There are no outstanding obligations under this agreement. The NRC has paid Emporia State University \$31,317.94. Therefore NRC is unilaterally closing the subject agreement.

Should you have any questions, please contact Michael Mills on (301)415-6550.

Sincerely,

A handwritten signature in cursive script that reads "Mary H. Mace".
