

LRL:HEB  
 Docket No. 50-39

MAY 12 1960

Curtiss-Wright Corporation  
 Research Division  
 Duquesne, Pennsylvania

Attention: Mr. W. F. Hall  
 Reactor Supervisor

Gentlemen:

Reference is made to your letter of March 7, 1960, regarding the relocation of the Curtiss-Wright research reactor console from the reactor bridge to the remote control room originally provided for that purpose and shown in Figure 5 of your report CUR 431 and Page 36 of your report CUR 4062.

Issuance of a facility license amendment is not necessary since the location of the console in the remote control room was provided for under Facility License K-36.
