DL&R:NDM  
Encket No. 5-174, 33

Honorable David L. Lawrence  
Governor, Commonwealth of Pennsylvania  
Harrisburg, Pennsylvania

Dear Governor Lawrence:

This is to inform you that the Atomic Energy Commission has issued License No. A-72, authorizing The Pennsylvania State University to possess, but not to operate, the nuclear research reactor facility at the Curtiss-Wright Research and Development Center at Lehigh, Pennsylvania. This facility has heretofore been owned by Curtiss-Wright Corporation and previously operated under License No. A-36. As the effective date of this license, Curtiss-Wright will transfer ownership of this facility to The Pennsylvania State University and Curtiss-Wright License No. A-36 will be terminated.

Enclosed are a copy of License No. A-72, a Notice of Issuance of Facility License which has been submitted to the Office of the Federal Register for filing and publication and a related Hazards Analysis prepared by the Research and Power Reactor Safety Branch of the Division of Licensing and Regulation. Also enclosed is a Notice of Termination of License No. A-36, issued to Curtiss-Wright Corporation.

A copy of this letter, with enclosures, is being sent to the Department of Labor and Industry, the Pennsylvania Department of Health, and the Bureau of Environmental Health for their information.
