Mr. James T. Massey
Executive Director
Joint Committee on Atomic Energy
Congress of the United States

Dear Mr. Massey:

The Atomic Energy Commission has issued License No. H-72 to The Pennsylvania State University authorizing the University to possess, but not to operate, the nuclear research reactor facility at the Curtiss-Wright Research and Development Center at Johnstown, Pennsylvania. This facility has heretofore been owned by the Curtiss-Wright Corporation, and previously operated under License No. H-36. On the effective date of this license, Curtiss-Wright will transfer ownership of this facility to The Pennsylvania State University and Curtiss-Wright License No. H-36 will be terminated.

Enclosed for your information are a copy of License No. H-72, a Notice of Issuance of Facility License, which has been submitted to the Office of the Federal Register for filing and publication and a related hazards analysis prepared by the Research and Power Reactor Safety Branch of the Division of Licensing and Regulation. Also enclosed is a Notice of Termination of License No. H-36, issued to Curtiss-Wright Corporation.

Sincerely yours,

Distribution
