**Subject:** Two citations are considered as SGI and Official Use Only *release*

Tom,

As your request for reviewing 11 citations, I have done the following three (reminding 8 are still under review), two of them are contained SGI and these two must be withheld from public.

Three citations -

1. **Partially withheld OSRE rept on 920309-12, ACN: 9907060141**  
Fiche: A8497:206 - A8497:226
2. FOIA request for copies of OSRE repts of SONGS, ACN: 9906290341  
Fiche: A8497:202 - A8497:205 (It is O.K.)  
and
3. **Final responses to FOIA request for records, ACN: 9906290340**  
Fiche: A8497:199 - A8497:226

Recommendation: The citations #1 and #3 are considered as "WITHHOLD", since they are contained portions of SAFEGUARDS INFORMATION (SGI). They should not be released to the public and must be protected from unauthorized disclosure in accordance with the NRC regulations that apply. In addition, we should considered to rebuild it or withdraw them from ADAMS (if they are in ADAMS database). Thanks!

If you have any question on this subject, please let me know.

Ray Hsu
