March 29, 2004

The Honorable Nils J. Diaz  
Chairman, U.S. Nuclear Regulatory Commission  
11555 Rockville Pike  
Rockville, MD 20852

Dear Chairman Diaz:

The Montague Selectboard is responsible for the health and safety of its citizens. Montague is located 20 miles from the Vermont Yankee Nuclear Plant and would potentially be affected by hazards resulting from it. We urge that an independent safety assessment be undertaken prior to a proposed 20% increase in energy producing capacity.

Sincerely,

TOWN OF MONTAGUE

Edward J. Voudren, Chairman  
Board of Selectmen

Patricia A. Allen  
Board of Selectmen

Allen Ross  
Board of Selectmen
