

RIC 2004

Communication and Emergency Preparedness; Session T-10

**NRC & Licensee Communication
During an Emergency**

Mark Lemke

Emergency Planning Manager

Opening

- # During the Diablo Canyon Evaluated Exercise in October of 2002, communications were challenged between the Site and NRC Headquarters.

Key Topics

- # How do key stakeholders get timely and accurate information?
- # Decision making: On-site or in Washington?
- # How to communicate safeguards information.
