FROM:                       Paul H. Lohaus, Director     /RA/  
                                  Office of State and Tribal Programs

SUBJECT:                   SUCCESSFUL COORDINATION OF ENFORCEMENT  
                                  ACTIONS BETWEEN THE NRC AND STATE OF KANSAS

Attached is a letter from Thomas A. Conley, Chief, Radiation and Asbestos Control Section. The letter expresses appreciation to NRC staff for the outstanding cooperation exhibited in handling enforcement actions involving KTL Inspection of St. Louis, Missouri. This represents an effectively coordinated joint Federal/State effort. Please also accept our thanks to you and your staff for the superior cooperation in support of the State.

Attachment:  
As stated

cc:     Carl J. Paperiello, DEDMRS  
       Samuel J. Collins, DEDR
