Ex.6 NRC's comment on the March 28 memo from enclosing the White Paper on 245 from OMB, is as follows: There is an inconsistency with respect to the statement on p. 4, Sec. 1.2., (b) (OMB memo) and the Andrew Card memo to all agencies, dated March 19. The OMB memo states, "Reviewing officials must ensure that the information associated with a However, the Andrew Card memo Ex. states that government information, "regardless of its age ... should not be disclosed inappropriately." We believe there needs to be some clarification reconciling these differing statements to emphasize that the a 45 significance of the information to be disclosed is more important than its age.
