That PCAF was necessary to insure that the appropriate sections of the procedure were removed. This PCAF adds a sheet to indicate that TAB C has also been removed. The information was previously deleted. This PCAF also adds guidance concerning how to contact the offsite agencies if the main conference call number is unavailable. The PCAF also refers to filling out the ENR form log. This is an administrative change in that it provides a visible indication that various tabs were removed and provides guidance for an existing requirement.
