SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE LESTER PUBLIC
LIBRARY FOR THE POINT BEACH NUCLEAR PLANT UNITS 1 AND 2
LICENSE RENEWAL APPLICATION

Dear Mr. Niederlander:

Thank you for creating a file drawer to maintain documents related to the U.S. Nuclear Regulatory Commission (NRC) staff's review of the application submitted by Nuclear Management Company, LLC (NMC), for license renewal of the Point Beach Nuclear Plant, Units 1 and 2 for an additional 20 years.

Over the next two-year review period, the volume of documents and related correspondence is expected to fill a 3-foot drawer. The application was delivered to you by the NRC's Senior Resident Inspector for the Point Beach Nuclear Plant. An electronic version of the license renewal application is also available at the NRC's Public Electronic Reading Room, accessible through the NRC's home page at <http://www.nrc.gov/reading-rm/adams.html>.

We appreciate your willingness to assist the public in participating in the license renewal application process. We will place the Lester Public Library on our distribution list for documents and notices related to the NMC's application for license renewal at Point Beach.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-4014 or via e-mail at WLD@nrc.gov.

Sincerely,

/RA/
