Expedite_UrgencyToInformText:

Waiver_Purpose: NEC is trying to determine the level of ACRS review provided for uprate applications. Information will be used to inform and/or reassure the public.

Waiver_ExtentToExtractAnalyze: We will do a careful analysis of the contents and make the information widely available to the public

Waiver_SpecificActivityQuals: New England Coalition has standing in the Entergy Nuclear Vermont Yankee application for power uprate before the Vermont Public Service Board. This information is a critical part of our analysis of the need for an Independent Engineering Assessment as called for by the PSB.

Waiver_ImpactPublicUnderstanding: The public does not know the level and depth of ACRS review of uprate applications.

Waiver_NatureOfPublic: The immediate issue of Vermont Yankee has an audience of several million residents within a 150 mile radius. The information, however, has national implications.

Waiver_MeansOfDissemination: Information will be made available by web and email and will be disseminated to the press

Waiver_FreeToPublicOrFee: Public access to the information will be free of charge

Waiver_PrivateCommericalInterest: None
