Reference: Federal Register Notice (69FR8350)
Dated February 24, 2004

Subject: Detroit Edison Comments on "Collection, Reporting, or Posting of Information; Availability of Draft Rule Language"

Detroit Edison, owner and operator of Fermi 2 Nuclear Power Plant, has participated with the Nuclear Energy Institute (NEI) in the preparation of industry comments on the draft rule language discussed in the referenced notice. Detroit Edison agrees that the changes under consideration would clarify or revise the regulations to reduce unnecessary regulatory burden associated with the collecting, reporting, and posting of information. In addition, Detroit Edison concurs with the specific comments on this notice provided by NEI.

If there are any questions regarding this response, please contact Mr. Norman K. Peterson, Manager, Nuclear Licensing at (734) 586-4258.

Sincerely,

Norman K. Peterson
Manager – Nuclear Licensing
