Subject: Motion For Appeal in NFS Proceeding

Note to Kathy Helms-Hughes:

Judge Rosenthal has asked me to advise you that your were required to serve a copy of your Motion For Appeal of March 17, 2004, Memorandum and Order, in the Nuclear Fuel Services proceeding upon counsel for the Licensee. It does not, however, appear from the certificate of service that accompanied the filing that this was done. If not, a copy should be served upon him immediately by electronic and U.S. mail. For his part, upon its receipt Licensee's counsel need not respond to the Motion For Appeal unless and until Judges Rosenthal and Cole request such a response.
