Dear Mr. West:

By letter dated November 4, 2003, Neighbors Against Garbage submitted a petition pursuant to 10 CFR 2.206 of the U.S. Nuclear Regulatory Commission (NRC or Commission) regulations with respect to Radiac Research Corporation in Brooklyn, NY. The petition, and supplemental information supporting it, have been reviewed by the NRC Staff and the Staff's Proposed Director's Decision on the petition is enclosed. I request that you provide comments to me on any portions of the decision that you believe involve errors or any issues in the petition that you believe have not been fully addressed. The Staff is making a similar request of the petitioner. The Staff will then review any comments provided by you and the petitioner and consider them in the final version of the Director's Decision with no further opportunity to comment.

Please provide your comments within 30 days from the date of this letter.

Sincerely,

/RA/
