 Subject: Re: Request rejection

Thanks Tom. I think you handled this request in an Outstanding manner during a difficult time.

>>> Thomas Smith 10/22/01 10:28AM >>>

I spoke to [redacted] about his request for NUREG/CR-0660. I told him his request could not be filled at this time. He was completely understanding. I doubt that he will file a FOIA request since he was only acting as a middleman between himself and his friend in Tehran.
