Dears Sirs,

In the past years I was retrieving from NRC web some report of Information Notices Important for Operation Experience at my company, Nucleoelectrica Argentina Head Office In Buenos Aires. Nucleoelectrica operates the Embalse NPP and Atucha NPP.
Today when I have connected to the NRC web Page it looks changed and I can found that tipe of IN reports.
Could you help me in this problem?

Thank you,
Regards,
José Isella, EXOP Coordinator - e-mail: JIsella@na-sa.com.ar
