We will hopefully be told soon that the review of our documents is complete and can begin reposting to our web site. We really are trying to get our web site back to normal and appreciate your interest. Please be patient with us for a bit longer.

Hi,

Just wanted to check in as another who hopes that all the regulations, position papers, reg guides etc. return to your web site as quickly as possible.

These truly were a wonderful resource, and I as many, didn't realize how reliant on your site I had become.

Best regards,

Greg Landry
