2003 Annual Report of Individual Monitoring

In accordance with 10 CFR Part 20.2206(b)&(c), the annual report of the results of individual monitoring for 2003 was provided electronically to the NRC. These results were provided via the Radiation Exposure Information and Reporting System (REIRS) web page on April 5, 2004. Nuclear Management Company, LLC (NMC) received a submittal confirmation number (Time Stamp: 20040405122250) that indicated that the transmission was received by REIRS. NMC also received a summary report dated April 5, 2004, which indicated that there were no errors or warnings associated with the electronic report.

Pursuant to 10 CFR 2.390(a)(6), NMC requests that the information provided, as described above, be withheld from public disclosure.

Please contact John Fields at 763-295-1663 if you have any questions or require additional information.
