Subject: Dyer EOC Briefing

Steve,

I just wanted to reaffirm with you that since the Panel has a separate briefing with Caldwell, Dyer and Collins on D-B that currently looks like it will either occur on Saturday (2/21) morning or Monday morning (2/23), we will not be attending the EOC brief with Dyer to discuss D-B. All the information that Jim D. needs will be covered in the other briefing.

Thanks.

Jack
