Ex. 6

Thank you. We are working on this.

Joan Hoffman

Ex. 6

>>> [REDACTED] 10/15/01 11:21PM >>>

Found the below sites re a search on Google of "NUCLEAR REGULATORY COMMISSION". Also Google has a caching capability that will still exhibit site page even if taken offline. You may wish to delete/prevent all web links to the below sites. [I assume there are many others sites that may be similar.]

http://www.eia.doe.gov/cneaf/nuclear/page/at_a_glance/reactors/states.html
<http://www.nucleartourist.com/>

GOD BLESS AMERICA!

Rgrds,
S. Jacobs
