Per direction from John Zwolinski at this morning's meeting, please request that he PDR staff no longer make FSARs on CD-ROM or paper available to the public.

Mindy,

Please send us an e-mail requesting the PDR (as a matter of agency policy) to no longer make available UFSARs submitted in CD-ROMs or paper. Reference that this is John Zwolinsky's decision, (NRR) and should be effective immediately.

OCIO needs this for our records.

Thanks.
