

April 29, 2004

MEETING NOTICE

Organization: Materials Engineering Branch, Division of Engineering Technology, Office of Nuclear Regulatory Research

Date: May 10, 2003, **Time:** 9:00 a.m. - 5:00 p.m., **Meeting Room:** O-04 B6

Date: May 11-12, 2003, **Time:** 9:00 a.m. - 5:00 p.m., **Meeting Room:** T-9 A1

Location: U.S. Nuclear Regulatory Commission (NRC)
11555 Rockville Pike (O-04 B6), and, 11545 Rockville Pike (T-9 A1)
Rockville, MD 20852

Purpose: To provide information to NRC-supported independent reviewers on results for re-evaluation of the technical basis for the screening criteria in pressurized thermal shock (PTS) rule (10 CFR 50.61).

Meeting Notice Title: 05/10/2004 - 05/12/2004 Meeting to Provide Information to NRC-supported Independent Reviewers on Results for Re-evaluation of Screening Criteria in the Pressurized Thermal Shock Rule (10 CFR 50.61)

Public Meeting Category: Category 1

ADAMS Accession #: ML041120191 (For this Meeting Notice)

Participants: Office of Nuclear Regulatory Research
Office of Nuclear Reactor Regulation
Public and industry participants

Meeting: Open to Public For Observation Only (limited to available seating capacity of the meeting room)

NRC Contacts: Shah Malik (301)415-6007
