The Utah State Historic Preservation Office received the above referenced request on April 8, 2004. After review of the material provided, the Utah Preservation Office understands that the focus of the undertaking is the waste piles created by the mill project. Given those conditions and scope of undertaking, USHPO recommends a determination of No Historic Properties Affected §36CFR 800.4(d)(1).

This information is provided on request to assist with Section 106 responsibilities as specified in §36CFR800. If you have questions, please contact me at (801) 533-3555. My email address is: [jdykman@utah.gov](mailto:jdykman@utah.gov)
