Re: Private Fuel Storage - Docket No. 72-22-ASLBP No. 97-732-02

Dear Mr. Julian:

Today, Private Fuel Storage, L.L.C. ("PFS") is filing with the Commission its Brief On Review Of Licensing Board Memorandum And Order Granting And Denying In Part Motion For Reconsideration And Clarification Of Financial Qualification Decisions. The brief contains confidential commercial and financial information concerning PFS cost estimates and the terms of the Model Service Agreement under which PFS would provide spent fuel storage services, among related matters. Thus, for the reasons previously set forth in the 2.790 affidavit and declarations of John D. Parkyn, Chairman of PFS, of May 15, 2000, September 25, 2000, September 28, 2000, December 4, 2000, and July 2, 2003, PFS requests that the NRC treat PFS's brief as confidential information under 10 C.F.R. § 2.790.

If you have any questions, please contact me at (202) 663-8304.

Sincerely,

Paul A. Gaukler
