Antonio,  
We will need to hold a meeting by Wednesday to determine if we accept it as a petition. Do you have a copy?

Charlie:

I am writing to let you know that I will be the lead attorney on this petition and Jack will be helping on an as needed basis. Please communicate with me from now on.

First thing that I want to know is where in the process we are in relation to the petition (i.e., what do you need from me now)?

Jack,  
We have another letter from Arnold and Porter representing NAG. It specifically calls out 2.206 and requests a meeting or teleconference with the petition review board.

The ticket calls for a PRB by 11/26. Should I try to schedule a teleconference with Arnold and Porter with a PRB or should we have a pre-PRB meeting to discuss the petition.

If you need a copy let me know - the letter and attachments are a book!
