Subject: Re: Fwd: Radiac - Proposed hearing dates

I have made initial contact with Clayton on NYDOL. I will handle the State coordination. You can handle the licensee contact. I have a call in to Clayton on this matter, as soon as he gets back to me, I will provide you an update.

Cardelia,
Radiac has proposed dates for the pre-PRB meeting - see attached.
Do you or should I contact the State and Radiac to see if they want to attend?
