Dear Mr. Diaz :

It is my pleasure to inform you that I have just been appointed as the new President and CEO of KHNP replacing Mr. Dong-rack Chung.

Previously, I served as Senior Vice President of KHNP's Project Division and have been involved mainly in the project management of Nuclear Power Plants throughout my career in KEPCO and KHNP since 1971.

I sincerely hope that you will extend to me the same goodwill and spirit of mutual assistance that you offered to my predecessor.

Very truly yours,

Joong-jae Lee

President & CEO
