

REED COLLEGE

Portland, Oregon 97202

REACTOR FACILITY

February 19, 2004

U.S. Nuclear Regulatory Commission
ATTN: Document Control Desk
Washington, DC 20555

Docket: 50-288
Subject: Revision to Physical Security Plan
Attachment: Reed Reactor Physical Security Plan

Enclosed is a revision of the Physical Security Plan for the Reed College Reactor. The only change is how we store the fuel handling tool. This change does not decrease the effectiveness of the plan.

Regards,

Stephen g. Frantz
Reactor Director
