Attn: Mr. Lyall Johnson, Acting Director for  
Materials Licensing

Dear Mr. Johnson:

Martin Company has centralized all Radioactive Materials Management within the Contracts Department. This includes coordination of all licensing activities within the Nuclear Division. The By-product Material Licensing which was previously handled by Mr. Richard J. Brisson, Supervisor of Health Physics, will now be the responsibility of Nuclear Accountability and Licensing Representative, Mr. Charles W. Keller. Mr. Brisson will continue to be responsible for radiological safety at the Martin Company. All correspondence should be addressed as follows:
